

Name _____

Rhetorical Devices

You will be assigned one or more rhetorical devices that you must MASTER and TEACH to your classmates. The grid below will help to guide your efforts as you begin the process of mastering your assigned rhetorical device(s).

The Device:	
Definition You've Looked Up:	Definition in Your Own Words:
Example of Usage That You've Looked Up:	Example of Usage That <u>You</u> Came Up With:
What kind of effect or impact does this device have when it's used by a speaker?	When should this device be used? When <u>shouldn't</u> this device be used?
Can you find an example of this device being used in popular culture? (In any song lyrics? A political speech? An advertisement? On TV?)	What's an easy way to remember this device? (What does it remind you of? Any associations that will help the class to remember it?)

Name _____

Rhetorical Devices – Expanding Your Repertoire

As each group presents and explains a rhetorical device, use the following graphic organizer to (1) capture the definition, and (2) solidify your own understandings!

The rhetorical device & definition presented:
Definition <u>in your own words</u>:
Two <u>examples</u> of this device being used. (At least ONE of these examples must be YOUR OWN!)
An easy way to remember this device (memory trick, association, what it reminds you of, etc.):
